

**- musical career roddy | hertzmusic kaiserslautern -**

roddy is born in 1975.

already as a child he started with the drums. this obsession with beats has carried roddy through his musical career. already early he came in contact with rock, soul, blues, jazz, latin-american songs and had experience with live bands. this is how he sees his form of housemusic as a fusion of many musicstyles wich influenced him in his musical career.

in his hometown of kaiserslautern in 1999 with the help of his musical friends he founded the eventagency "bodaro". in 2002 after "bodaro" was desolved "hertzmusic" became his new project. many successfull events and gigs follow (see [www.hertzmusic.com](http://www.hertzmusic.com)). from the strong american influence, whether it be house, hip hop or drum & bass a seed was planted for an interesting mix of styles. he ownd residencies in following clubs: „cream club“ kaiserslautern (1999-2001), „nachtmusik“ kaiserslautern (2001-2003).

- combining deep grooving vocal records with tribal, disco or jazzrecords is a trademark of him as well as playing live background percussions. the groovefactor is the no.1 priority in his sets.
- summer 2004: remix works for singer zeljko gorickic
- you bring me joy and the song own choices.

roddy is responsible for booking and eventcoordination of his agency „hertzmusic“ kaiserslautern.
